

Hi, my name is Trey *Carer Needed*

Hilarious Sleeping Poses

Medium Male Kelpie Mix Dog

Trey loves to be the centre of attention and needs to snuggle up with his family whenever possible. He would like a calm female doggie friend in his new home or would be happy on his own. Trey is very happy to lounge about in the sun all day but needs daily exercise and has even learnt to run next to a bike! He still needs to be separated while eating as he is worried another pooch may try and steal his dinner, but has learnt to be very good with food as long as it's not a competition. Even though he has had a difficult start, being dropped at the pound with his brother and not knowing what is going to happen next but his big heart and strong will means he hasn't let that stand in his way. Trey is ready for bigger and better adventures with his very own forever family! Trey will need a home as an only dog or with a female companion. We recommend children over ten years old, if any. Trey is located in Strathpine, QLD. Cat Friendly: Not while recovering from his medical issue Dog Friendly: Not while recovering from his medical issue Child Friendly: Not while recovering f...
