## Male Domestic Short Hair Cat

**ADOPTION PROFILE** Name: Sunny DOB: 7/11/18 Gender: Male Breed: DSH Adoption Fee: \$195 Location: Carindale Snuggle scope: Off the charts smoochy Cat scope: Loves other cats Dog scope: Is great friends with the small dog in his foster home Child scope: Would be fine Vetwork: Completed Booster due: 21/03/2020 ABOUT Sunny and his siblings came into care at 4 weeks old after their mother stopped feeding them. They were all extremely underweight and half the size of what they should have been for their age. Fast forward a few weeks and they are all doing wonderfully and are now looking for their perfect families! This little dude has quite a personality on him, and like most hand raised babies he just adores humans. When you are holding him, he will purr contently and gaze at you with his gorgeous eyes which will melt your heart. Sunny is a confident little man, and the biggest of his litter. Although he is much bigger than his sisters, he is still super soft and gentle with him like the sweetheart he is. Sunny would make a wonderful addition to any family. ...
