

# Hi, my name is Pika

## I'm super cuddly!

### Male Domestic Short Hair Cat

Pika recently came into care after being saved from a regional pound with his littermates. He is a healthy and happy kitten who just loves everyone and everything! Pika is super affectionate and purrs so loudly when he's cuddling with you. He has a beautiful personality and gets along well with other cats. Pika has an outgoing personality so should also be fine with children and dogs. If you'd like to meet Pika, please complete our pre-adoption screener on our website.
