

Hi, my name is Dudley & Archer

Very good boys

Large Male Mastiff Mix Dog

Are you looking for an Awesome Twosome? Well here they are. Archer is a five year old Mastiff cross who would love nothing more than to find a loving home with his best mate Dudley who is also a mastiff cross and six years old. This pair are very bonded and would need to be rehomed together. These boys are both friendly , well behaved dogs and as a bonus they are even house trained. Dudley and Archer are brothers (from different mothers) love keeping active and going for walks and swims.They just love the water.

Dudley and Archer would be best suited in a home where they are the only dogs and can share the attention between themselves – no little dogs please. Dudley and Archer are currently living in and inside outside home and this is what they like best . They are very clean and have fabulous inside manners. These handsome two would be the best addition and are sure to turn heads where ever your adventure takes you.
