

Hi, my name is Lilo

I adore kids!

Female Domestic Short Hair Cat

Some princesses are demanding, others make us happy! When I find my Furever home, making my family happy is exactly what I will do! Like most kitty princesses, I love to play and see what my family is up to but I am also very happy to just sit by your side and relax, watch a little TV and then curl up next to you for a cat-nap! I love to have cuddles and a head-bop with you and don't mind following you into the bathroom while the shower is running... water is a pretty cool toy isn't it? I love to sleep near you and I would even be happy to share a bed! But mostly I am content to be nearby and know my family is close.

I adore kids (they make the best play mates!), other cats and don't mind dogs either. After all, I already have lived with dogs and they seem ok! I would also be happy to be on my own while my family is at work and sprinkle my love around when you get home! Lilo is an INDOOR only cat. Her two sisters Aurora and Minnie are also available if you'd like to meet them all. If you'd like to enquire about Lilo, please complete the pre-adoption screening form in ...
