

Hi, my name is Toby

Looking for love

Male Domestic Short Hair Mix Cat

Toby is an incredibly handsome and independent young gentleman who is after an experienced owner who can give him the quiet and relaxed household he deserves. He unfortunately would not suit a home with young children (under 12 years old). He has never interacted with other animals so would best suit a home where he can be by himself and settle in of his own accord. Toby would make a great addition to a household looking for a cat who isn't typically overall affectionate but does like to come up for attention every now and then. All AWL NSW animals are desexed, microchipped, health checked, vaccinated, wormed and flea treated. If you are interested in adopting me, please email us today on kempscreek@awlsw.com.au AWL NSW Rehoming Organisation Number: R251000222.
