

Hi, my name is Stella

Friend of Tilly

Female Short-hair Abyssinian Guinea Pig

Stella is one of the guinea pigs that gave birth to pups while she was being transported into rescue. She had 2 pups that had literally been born before arriving. Her pups are all weaned now and she is re-building her strength. She is a beautiful girl. She is wanting to find a forever home hopefully with one of the girls that she knows. She was only a young piggie at the time and we think about 7 months of age.

Age	2 years 2 months
Adoption fee	50
Rescue organisation	Cavy Central - ACS Sydney
