

Hi, my name is The 3 Bunmigos

Stunning and Curious!

Female Dwarf Mix Rabbit

Meet the three Bunmigos. They cute little buns are super curious and love to go exploring, climbing on their humans. They travel and play together, running around and coming over for pats and snuggles. These little buns were born in care with his/her 4 other siblings almost 8 weeks ago, now they've grown up, they'll be ready for their furever home! There are 2 males and 1 female, which can be separated. The adoption fee will cover all vet work including, desexing, vaccination and microchip when they are ready (16 weeks). If you think you could give one or even two of these little buns a home, please contact us. Indoor homes preferable 😊
