

Hi, my name is Jess (Located In Noble Park)

Knows What She Wants

Female Domestic Short Hair Cat

Postman pat postman pat postman pat and his black and white cat called JESS! Jess started life of unloved and unwanted. She had a teen pregnancy with her babies taken away far too early and dumped at the pound. She is now ready to start her new forever life with a loving family who will love her as much as I do, her foster Mumma. She is playful, loves cuddles and kisses and will sleep on the bed, but quite happy to sleep on her own soft bed. Since her arrival into care she has displayed a loving attitude and just loves attention and will meow when she feels lonely. She is very small for her age and would make the purrfect lap cat for a homebody. I'm sure given the time she would be happy to have a brother or sister but would be quite happy as an only pet as she is the possessive type in the mostly loving way. Want to meet me in person? Then please complete the online application form I can't wait to say hi!
