

Hi, my name is Ringo

Looking for love

Male Short-hair Guinea Pig

Ringo, and his friends: Paul, John and (George-adopted), are all lovely boys looking for a home with another pig, or each other. They all have unique markings and lovely personalities. They can be a bit scared at first, but for their age and for what they've been through, they are pretty settled and love a cuddle. They are so relaxed, they even like stretching out and having a nap right in front of you. Male guinea pigs can be a bit nasty towards one another, which is why it's so surprising how laid back these fellas are. They haven't had any squabbles, even when meeting new guinea pigs and new smells.
