

Hi, my name is Amy Poehler

Im Special

Female Domestic Rabbit

Amy is looking for her forever home with her brother George. Amy is a beautiful bunny and the most loving and cuddling of the rescued bunny bunch. Our girl has been diagnosed with a neurological birth defect ~ but its ok it's not serious and not going to have any effect on her. There is no treatment or medication required. She's just a special girl and is very bonded with her brother George Costanza. Amy loves a cuddle and loves exploring. She is toilet trained and semi house trained. If you are thinking of adopting bunnies for the first time and have any questions please send us a message! Location: Albert Park I would suit an mature family household.
