

Hi, my name is Jamani

Looking for love

Female Domestic Short Hair Cat

Jamani is shy and quiet. Very affectionate when given the time to get used to you. Will make a super loving addition to your home. She is pretty as a picture and has the personality to match. Please consider adopting two cats together as they prefer to have company to play and snuggle with rather than being on their own. Double the love, double the fun. We do great deals for two. Jamani is desexed, microchipped, up to date immunisation, worm and flea treated and is fully litter trained. Ring Betty on 49786666
