

Hi, my name is Cooper

Lovable oversized lap dog

Large Female Neapolitan Mastiff x Shar-Pei Mix Dog

If your looking for a happy, slobbery, boisterous, active and fun loving pup look no further because you need Cooper in your life!! Cooper is a 12month old very excited and loving girl ! She was an unclaimed pound dog from rural QLD who came into our care in bad condition, very skinny and nervous. She has since absolutely thrived and is a gorgeous girl! Being a young pup she needs some guidance and a bit more training to help her become a more well mannered doggo but will settle in a new home quickly. Cooper thinks of herself as a lap dog and is completely unaware of her size haha! Her foster family love her and know she will make a great family member! Cooper is socialised around all humans and dogs alike. 😊 Cooper is fantastic off lead and doesnt want to leave your side. Surprisingly Cooper is also amazing with cats. Cooper really is a stunner and would prefer someone who is home alot or another dog to keep her company. Cooper is an inside dog and and absolute catch.
