

Hi, my name is Pop

Tiny speck of white

Female Domestic Short Hair Cat

Hi, my name is Pop and I'm approx 10 weeks old. Pop might be a strange name for a little girl but my brother and sister are called Snap and Crackle. And I have a little 'pop' of white fluff on my chest. I've had a couple of homes already in my short 10 weeks, but I am now ready and waiting to find my forever home. I can't remember what happened at the start of my life but I do remember my family being rescued from death row at the pound in Rocky and moving to Mackay where we had all our health checks, desexed, vacc and microchipped. But most of all we've had fun and lots of love given to us, now we're ready to pass that love on to our new family. I'm not shy so please come and visit me if you need a furry friend in your life. My sister Snap is also here if you want to say hello to both of us. To help cover some of the cost of all my vet work, I am only \$180. PM my foster mum to arrange a time to meet me.
