

Hi, my name is Diana

Looking for love

Female Rabbit

Diana is a gorgeous looking girl who is after a very loving home. I think she is feeling hurt and betrayed, as she's a bit of a grump and likes to keep to herself. We know she plays and is happy, but as soon as she notices us she puts on her sulk and grumbles if you don't fill her bowl fast enough. She'll also pick up any plastic bowls and throw them around to show you they're empty, such is her attitude. Diana needs a home where she will never be abandoned or unwanted again. This girl needs some serious loving!
