

Hi, my name is Oralia

Sleek Coat

Female Domestic Short Hair Cat

Not fazed by other cats in any colour, shape, size. And currently share accommodation with two dogs I am a lovely little girl, who doesn't like any fast movement in my direction. I may be a little scared or aloof when we first meet, this is only because I did not have much handling prior to being surrendered. I love gentle pats, and head scratches, and love being nursed. When we become great friends, you will see my sweet personality. I am too small for desexing currently, but all other vet work will be carried out prior to adoption.
