

Hi, my name is Razz

Good with other cats

Female Domestic Short Hair Cat

Adoption fee - \$215 Meet Razz! This little face is sure to melt your heart, and if that doesn't her purr will! I'm looking for a quiet home with people who will understand I may need to take things a bit slow to start with whilst I settle in and gain confidence as I'm still a bit scared and initially I'll run and hide. Although I don't like to be held I like a good scratch and rub up and down my back, and love to curl up close by to keep watch on you. Once I have your trust I love to run and play and chase balls around the house, if you have another cat that's okay I'm sure we'll get along fine, I love having other cats around. I'll even get used to your quiet dog! I'm not quite confident enough to come when you call or click your fingers but I will be with time and love if you're willing to give it. When I'm not busy playing, I sleep the day away, usually at the top of my scratching post. Oh, and I love my food more than anything!!!! I've been happily living as an inside cat with access to an outside cat run.
