

# Hi, my name is Sammy

## Looking for love

### Female Domestic Short Hair Mix Cat

Hey, my name is Sammy but my foster parents call me sassy pants Sammy. I have been out in foster for a while with a skin allergy. I do not want to take up too much of your attention, I like my own space too. I will give you some cuddles on the couch, but most of the time I will cuddle you in the early hours of the morning in bed. I like the standard cat things. Lying in the warm sun, watching the birds in the garden from the window, play fighting on the odd occasion showing my kitten side. Dislikes are the vacuum (will hide behind all the pillows), too much attention and being left for a long time (will be waiting for you at the front door).
