

# Hi, my name is Chip Chubb

Looking for love

## Male Domestic Short Hair Cat

Chip Chubb is just a friendly active little boy. He arrived at rescue with his siblings as very tiny little babies. They have been hand raised and bottle fed and now are thriving in foster care. Chip loves to play and head bonk his carers resident dog (big friendly dog). He loves playing with the other fosters in care and also the residents cats. Chip Chubb is a healthy raw fed kitten who has been wormed, flea treated, vaccinated, desexed and microchipped (microchip #900018003025973). He is available for adoption. His adoption fee also includes his second vaccination at one of our rescue vets. -----

----- To adopt a cat from Cat People you'll be required to have a house check done, show 100 points of ID and fill out & sign an adoption contract. Deposits are accepted to hold cats & kittens before adoption - this deposit is not refundable (instalment payments can be arranged with the coordinator to pre-approved adopters). Cats from our group are all are vet checked, flea treated, wormed, vaccinated and desexed before being taken home by...
