

Hi, my name is Lolly

Sweet As Sugar

Female Domestic Medium Hair Cat

Sweet as sugar Lolly is now beginning the search a permanent residence! Coming in as an injured stray, this gorgeous Medium Haired girl had suffered from a large wound on one of her hind legs. We have cleaned and are treating the wound, and it is starting to heal wonderfully. Lolly is a super smoochy girl who loves to purr and meow her way through an entire conversation with you! She adores head scratches, back scratches, pretty much anywhere scratches! She adores cat friendly dogs, and gets along well with other cats. Lolly would suit almost any family home, she's just so compatible and easy to have around! Lollys' adoption fee will include her desexing surgery and microchipping. She will also be up to date with her vaccinations, worming and flea treatments.
