Loves pats, belly rubs!

Female Domestic Short Hair Cat

Bangles is sweet, loving and super affectionate! The first to greet you after a long day and as soon as you walk in the door, Bangles will be the first on your lap, kissing your nose and purring whilst relaxing on your lap. This little girl came into care along with her brother Buv (NC724) after being rescued off the streets as wee little kitties. As soon as both Buv and Bangles came to us, they were nothing but friendly and super loving. Bangles is the smaller kitty of the two however is not short of personality. She loves to play, she is adventurous and loves her food! She will let out a little meow and chat to her foster humans and will do anything for chicken. Bangles is in a foster home with cats and kittens and is socialised with dogs of all sizes so would suit any home environment. With her loving and snuggly nature, Bangles likes to be cradled like a baby and have endless amounts of pats and belly rubs. She would be great in a family with children and would be a loyal and loving miss. Contact SAFE Newman today and ask about our two for one adoption and have double the fu...
