

# Hi, my name is Gypsy

Looking for love

## Medium Female Bull Arab Mix Dog

Hi there! My name is Gypsy and me travelling into your life is just going to make everything even more amazing! I am a special girl. I was surrendered to Happy Tails by an amazing family who offered to put me through a training school with a superstar trainer to make me the best dog possible! I wasn't badly behaved before; I was just your typical bull Arab pup who needed some boundaries! I'm working on that now and whoever adopts me will be very lucky to have me in their life! A little about me: - I'd definitely describe myself as an introvert initially. I do take a little bit to warm up to males.. but we are working on that! I also would do best with another dog as that brings my extroverted, goofball side out! - I LOVE other dogs! But I think I already mentioned that? If not.. I'll mention it again.. I really REALLY love other dogs! - I'm a sweet, kind girl who is just looking for her perfect tribe! I am a sweet girl with a lot of love to give. I will a well trained, well adjusted dog that will be the perfect piece to fit into your family! To meet Gypsy, plea...
