## Female Domestic Short Hair Cat

Come and meet me! I am a vibrant little lady who loves to play and snuggle with you at the end of the day when it's time for bed. I have got the biggest purr you will ever hear! I get on well with other cats and would love to have a friend to play with if you already have a furrever friend in your house (or you could also apply to meet my foster brother Boo at the same time you meet me. I loveeeee him). I am feisty and fun, and will keep you on your toes as you try to keep up with me. I am probably best suited to a home with adults or teenage children. I will need to have a home where you are happy to take care that I eat a diet that includes no dried kibble. I have three to four small meals throughout the day, and this will need to happen even when I am a grown up! I am currently doing really well eating a delicious raw diet and high quality wet kitten food. My foster slave is happy to discuss any matters relating to my diet with you. I also like to live indoors, or if you have a cat run or enclosed courtyard etc where I will be safe from dogs, other cats and cars,...
