

Hi, my name is Dexter

Soft Sweet Temperament

Medium Male Boxer Mix Dog

Dexter is a Medium Boxer size low energy, placid natured pooch, who wants nothing more than to please and be with his humans for cuddles. He would suit a home with a similar aged dog to play with, or can also be an only boy so long as there is someone at home most of the time to pay attention to him. He is good with dogs of all sizes and has a lovely soft temperament to match his silky soft coat. Dexter has graduated puppy school and knows all of his basic commands. He is perfectly toilet trained, knows how to us the doggie door and sleeps in the bedroom at night on his own bed which he goes to on command, sleeping quietly through the night. He has been trained to sit when visitors come through the door and knows to sit and wait for his food till he's told "ok". Dexter is definitely a very deserving good boy and will be an amazing loyal pet in the right environment.
