I am not a big fan of the outdoors as I was found dumped in a creek as a kitten left to fend for myself. Although I had a rough start to life I love affection and to sit beside you, watch Netflix and chill. I am good at supervising as you cook dinner, but if it's seafood you must share with me especially if it's crab. I am still a kitten at heart and love to play so pick me you won't be disappointed.
