

# Hi, my name is Chester

Adopt Love!

## Male Domestic Short Hair Cat

Fun, adventurous and oh so purry, this is Chester! This little dude isn't fazed by much and is a loving and gorgeous natured kitten. He came into care as a wee little baby at 3.5 weeks old along with his sister Peanut, NC761 after being rescued from under a building. Chester LOVES his food and will talk and smile until his little head is stuck in a food bowl. As you can see, he has beautiful teeth and is best friends with humans. He is socialised with cats of all ages, dogs of all sizes and was also in a foster home with a baby goat so we are confident in saying he will adapt to any home. Chester is litter trained and an indoor only boy. If you are considering two darlings, contact SAFE today for our discounted adoption fees. You'll be so happy this purr pot is in your life!
