Medium Female Bull Terrier Dog

♥ LOTTI - Foster carer needed♥ Lotti is a sweet 5 1/2 yr old girl who is only weighs 18kg. Lotti is looking for a home where she is the centre of attention and can follow you around while you do your daily activities. Although she is ok with other dogs she will need a pet free home. Lotti has dry eye which requires daily drop administered to her eyes and is a little crafty when she knows it is time for them. We don't know lotti's history as she was saved from been pts in a rural pound. In the short time she has been with her temporary carer we know that she is the sweetest girl who will entertain you. She loves a car trip or just going for a walk. Please if you think Lotti will be a perfect fit for your family please fill in a foster application on the link below. Victorian Bull Terrier Rescue will supply all of Lotti's needs while in foster care, cover vet cost and you will have 100% support from one of our bully buddies (board member)
