

Hi, my name is Sascha

Blue eyed Beauty

Large Female Siberian Husky Dog

I'm in need of some help in re-homing our beautiful 5 year old husky Sascha. We have had some recent changes in our lifestyle over the last 12 months and we are struggling to be able to provide Sascha with the attention and care that she needs and deserves. I have had another baby. I have demanding work commitments and my husband works away from home all week for work. Due to our change in lifestyle we are not getting the time to walk or play with Sascha. She is bored, lonely and unhappy. As I am away all day she has now started finding ways to escape our fenced yard she takes off and its a huge challenge to find her and get her back home where she is safe. Sascha is currently in a dog run or tied up because she keeps getting out of our yard. It's no way for this beautiful animal to live. To make things worse 3 weeks ago I had a very severe break to my leg / ankle and I will be off my feet with a long recovery period. So this has not helped with being able to walk or care for Sascha. We want Sascha to go to a caring home that understands the Husky breed. I will not to ...
