

Hi, my name is Bowie

Sweet and friendly

Medium Male Mixed Breed Dog

Adoption Fee \$565 We have available a litter of sweet natured, playful and active pups, both male and female. Bowie and his siblings are typical puppies: friendly, love cuddles and fuss, curious, into everything, and learning fast. This litter of pups are of mixed breed and we estimate will most likely be a GOOD MEDIUM SIZE when they are full grown. Bowie has the wow factor with one brown and one blue eye. Puppies are adorable but do require commitment and lots of your time: they will require socialising with as wide a range of other dogs as possible as they grow, to ensure they carry on being friendly little pooches who you can take out happily into the community. All puppies like their daily playtimes and exercise, and require will require lots of positive training - we recommend puppy training and obedience/formal group training for all pups as this sets the building blocks for a well mannered, social adult dog. Puppies can be a lot of work (rather like kids!) but if you are ready for the odd chewed up shoe, toilet accident, to provide lots of playtime, guidance, interactio...
