

# Hi, my name is Chilli

Looking for love

## Small Male Chihuahua Mix Dog

Chilli is a sweet attentive boy. He is very loving and affectionate. He bonds closely to one owner and seems to prefer women however does not mind some men. Chilli is agile and will jump low fencing easily and push through gates. He likes to be around people and is social with other dogs. He has a short coat and weighs 5.4kg. Adult Home: Nervous or not tolerant of children. And/or too high a level of excitability for children to control. Apartment Friendly: Could cope in an apartment environment. Regular walks or use of an artificial grass patch is suggested. **NEEDS RESCUE EXPERIENCE:** Many people grow up with, or own a dog who has had no bad experiences in life. A dog who is confident and well rounded. However, many rescue dogs have not been as lucky in their lives. Unfortunately, some rescue dogs have been physically abused, neglected and left traumatised. These dogs need someone with previous rescue experience in rehabilitating traumatised dogs with an in depth understanding of and experience in building relationships with these kinds of dogs.
