

Hi, my name is Luna

Looking for love

Female Domestic Short Hair Cat

Location Buderim Name - Luna Breed - Domestic Short Hair Colour - Black Tabby Age - 9 Weeks Gender - Female Desexed - Yes Vaccinated - Yes Vet Checked - Yes Microchipped - Yes Good with Cats - Yes Good with Dogs - No Good with Children - Older Children Luna is a pretty and dainty little girl, full of fun and energy. She has big beautiful eyes and funny little facial expressions! She's got the biggest appetite for a tiny girl and makes the cutest noises when she eats! She will need love, time and patience to build a special bond with her new owners. She has been cuddled, nuzzled and played with frequently during the day to help her settle into her foster home and has come a long way from the scared little thing she was a week ago. The fewer frightening distractions the better for Luna and the quicker a special bond will be made. Luna loves being around people and her foster kitten family. She enjoys watching them do their jobs, however, she is a busy girl herself and can't sit still for too long... there's always something interesting that catches her ...
