

# Hi, my name is Jessie

Looking for love

## Large Female Ridgeback Mix Dog

This gorgeous mumma dog is Jessie. She is now desexed and will never have to have another litter of puppies again. She was an amazing mumma to her babes but the time has come to find a family of her own. Jessie is a large dog, possibly ridgeback x she arrived very very underweight and is now just over 30 kg with more needed to put on to get to an ideally healthy looking weight. Her nature well everyone that's met her has fallen in love. She learning basic manners and is so sweet. Eager to please and affectionate.

We estimate her age to be between 4-5 years old. Jessie is gentle and is loving currently living with a lovely older foster carer and a small breed dog. She's not had any problems with any dogs she's met so far so pending meet could happily live with another canine or would be a wonderful only pet. She is a little too interested in cats so we'd recommend a kitty free home just in case.
