

# Hi, my name is Happy

Happy by name and nature!

## Medium Male Amstaff x Staffy Mix Dog

This beautiful boy came to us from the Pound with his life in tatters but his name intact and what an appropriate name it is! Though he was microchipped, the details weren't up to date so his owners weren't able to be contacted. Happy's colouring is what's known as blue brindle. He is so happy to be alive and gets around with a huge smile on his face and is the most lovable boofhead! When you cuddle him, he smiles so hard it's almost like he has a flip top head! He is a delight with people and dogs alike and has never shown aggression of any kind. He socialises with dogs of all ages and sizes and isn't cat aggressive. Happy is easy to walk on the leash. An all round easy boy to have around. He's in care with me at Moree, NSW. Moree has daily flights to Sydney and further afield. Dog road transportation is another option, with companies like Dogmovers. Enquiries to Denise on 0429 457 558.
