

Hi, my name is Scout ~ Labrador X Bull Arab (On Trial 31/5/19)

Sweet and friendly guy

Large Male Bull Arab x Labrador Mix Dog

Scout is a loyal 4 year old Labrador X Bull Arab who will always stand by your side. He loves nothing more than being with his human, yet he's not demanding, he's happy enough just hanging out and chilling with his foster mum. Scout starts off timid but full of love once he relaxes with you. One good walk in the morning, and he'll be happy to snooze the rest of the day away. He's very eager to please, and understands commands such as 'sit', and 'stay'. He's constantly looking to you for guidance - the last thing he wants is to upset you. Scout would be happiest with a person or family who won't leave him alone for long periods of time on a regular basis. He needs to be a part of the family and prefers to spend all of his time inside with you. Must be allowed in the house. Scout is not a noisy dog, but makes a good watch dog - he will let out a couple of deep warning barks if someone he doesn't know comes too close to your house. Scout is good with other dogs but is not suitable for a home with cats. Overall he is a sweet, well-behaved and loving dog. For more inf...
