

Hi, my name is Monty

Looking for love.

Medium Male American Staffordshire Bull Terrier Mix Dog

Hello, my name is Monty and my foster family say I am a really sweet and friendly boy and lucky to have this opportunity to find my forever family...hope it is you? I have been told I am an Amstaff cross approx. 7 months young, not too big or too small, just right. During my time with my foster family they say I am a good listener and always try to do as asked. I am still learning as only a puppy. I enjoy going for walks exploring and car rides are not an issue for me. I really love spending time with my foster family, either playing or having cuddles and also enjoy their family dog's company. After the day has gone, I am happy to be quite and go to bed like my humans, but I do prefer to sleep inside with my foster family. People and dog friendly, sorry not sure how I will react with cats as not tested. Vet work up to date. Hope to see you soon. QSAR is unable to make any warranty as to the genetics or breed of any of our rescue dogs. No representation is made as to the breed makeup of our animals.

Age	7 months
