

# Hi, my name is Tilly

sweet and gentle

## Medium Female Australian Cattle Dog Dog

Tilly is a gorgeous gentle pure bred australian blue cattle dog with papers . She came in to rescue as her owner was away too much and wasnt there for her She has the most gentle and loving nature and is wonderful around children She is quiet and sweet and looking for a home where she can settle in for the rest of her days She does need good fencing and perhaps a friend to keep her company. although if she is included as part of the family then she would probably not need to go looking for company We dont know how she is with cats but she is great with other dogs Tilly doesnt have a mean bone in her body and will fit in with just any family Tilly is in foster care in Hinton and has been vet checked and has no health issues
