

Hi, my name is Candice

Looking for love

Female Domestic Short Hair Mix Cat

Hello, my name is Candice, but you can call me Candy. I'm a very shy little girl. So shy I only come out of my cozy nest, under the blanket, at night when no-one is around. I've been living with my foster parents for about a month, which isn't very long for a shy girl like me to get used to the changes. I'm a gentle, polite girl, no hisses or growls from me and if you are very gentle I'll let you stroke me and may even give a tiny purr. At night I like to look around my foster room, I would go further but foster mum says I must not hide under the sofa, or behind the fridge, as she cannot stroke me there, so mum shuts the door at night. Mum put a camera in my room to see what I get up to at night and she knows that I am coming out for a look around a lot more now than I did at first. I think I'm getting used to this place, and I love the food they leave out for me. As soon as all is quiet and the lights are off, I creep out and check out my yummy supper. Foster mum sits in the room and talks to me during the day, I just listen to her but one day I may come...
