

Hi, my name is Boss

Boss is a real gentleman

Medium Male Bull Terrier Dog

Boss will need a home where he is allowed to stay indoors all the time. Even when you go out. He is a sweet natured boy and is NOT destructive in any way. He loves cuddles on the couch and playing in the garden. His favourite game is fetch. He is willing to learn and is gentle when taking treats from you. He also loves going out in the car and learning new tricks. Boss would suit a pet free family with older children and no cats. He can be nervous when meeting new people and is unsure of other dogs as he was attacked by a dog when younger. Boss will benefit from more socialisation and maybe even dog training to help him get use to other dogs. He is not a fan of big dogs but didn't seem to mind the little dogs when at the vets. Boss is a real gentleman and just wants to be loved and spoilt.
