

Hi, my name is Jake & Jordy

Friendly pair

Male Domestic Rabbit

Both boys are very friendly and will always hop up to greet you at the front of their cage. Jake certainly is the more confident and doesn't seem to be concerned by anything. Jordy is an absolute gentleman so soft and gentle in everything he does. Such a sweetheart. Both love to play and cardboard boxes are a must for these two, they can demolish one in the blink of an eye. Both boys will just melt when you pat them especially between the ears and are happy for a cuddle. Jordy currently sits hi on his back legs. He is in foster care to see if the free roam space encourages him to sit down or if it has become a habit from being previously confined.
