

Hi, my name is Scout & Kovu

Looking for love

Large Male Cattle Dog Dog

SCOUT & KOVU 2 years & 4 years - both Males Border Collie x & Cattle x \$275 for both *Bonded Pair*

SCOUT & KOVU are beautiful little dogs, different personalities but both so well mannered, gentle and quiet! SCOUT is the happy go lucky, cheeky little one and KOVU is the more serious one. KOVU is still a little unsure and likes his space at times. They have both relaxed a lot since first coming into care, KOVU especially is starting to relax and show his personality. They both take direction and listen to commands very well. They love to play, chase the ball and bring it back, KOVU more than SCOUT, SCOUT just loves to run after KOVU. They both walk really well on a lead and well behaved eating together and around food in general. While KOVU likes to know where SCOUT is, they're not joined at the hip. They do like to sleep together though, and KOVU becomes very upset when SCOUT takes off. They love affection but aren't clingy or demanding. They bark once and a while but are not barkers and they have been good with the chooks and dog next door thru the fence. ...
