

Hi, my name is Indi

Friendly, sweet girl

Medium Female Mixed Breed Dog

Hey there! I'm Indi. I ""talk"" and love to sit and have a chat with you. I'm sweet as and have lots of love to give. I've just completed 4 weeks of basic obedience training. I loved it and did so amazingly well. The teacher and other dog owners all commented on how impressed they were with the improvement I made since I started. I enjoyed the mental challenge and the stimulation really tires out my brain and calms me. I even had a go at agility and scenting and showed just how incredibly smart I am and how willing I am to learn something new. I'd love to have ongoing training. If I'm adopted locally in Broome, Paws and Effect dog training is happy to have a session with my new owners, to show them how to maintain consistency with my training. I'll do anything for a treat and being so young have unlimited potential to learn new things. I already sit beautifully and wait for my dinner and am house trained. I like kids but because I'm still learning not to jump up on people, would be better with children 6 years plus who can make sure I'm following the rules. I'm a great alarm dog ...
