

Hi, my name is Huckleberry

Level 100 cuddler

Male Domestic Short Hair Cat

Gorgeous Huckleberry (Huck for short) has recently joined us from a regional pound in NSW. This is the friendliest cat in history. If you're looking for a lap snoozer, a bed snuggler, a hair groomer and want to experience the feeling of being shadowed by Cupid himself, Huck is the cat for you. Huck is a very social boy, so you need to have a kitty friend for him at home already. Your kitty should also look forward to the above perks ^ ^ as this cherub does NOT discriminate when doling out his affections. Huck is looking for a strictly indoor only home. We know he likes to wander - that's how he ended up in the clink! He would be a perfect cat for a young family as he is very gentle and sweet. But honestly, he would suit absolutely anyone looking for a snuggly cat as long as they meet the above criteria. Huck is amazing. You will love Huck. Please enquire about Huck so we can organise for you to meet him!
