

Hi, my name is Sylvester

Looking for love

Medium Male Bull Arab x Labrador Mix Dog

Sylvester came as a pup and is very lucky to be alive. Not only did we save him from a pound but within a few days realised he had a bowel obstruction. Emergency surgery saved his life . Sylvester was adopted from us but was recently returned as a teenager. He is very social with other dogs. He is affectionate and gentle with people and walks well on lead. He is still very puppy like, jumping up and demanding attention. He has a short coat and weighs 27.6kg. Suit Part Time Worker: Copes alone for short periods, with training possibly longer but presently does need someone home part of the time Garden: Needs a home that has more space as well as a garden for exercise and regular walks outside.

He comes desexed, C5 vaccinated, heartworm free and microchipped. Also included for the love and health of our dogs is a free Health and Wellness Voucher with our DR Vet
