

# Hi, my name is Lizzy

Looking for love

## Female Domestic Short Hair Cat

Lizzy is an absolute sweetheart who loves to cuddle and play. She gets right into chasing the mouse including running and jumping around. She is very gentle and doesn't scratch or bite but loves to get a good scratch around the neck and falls right asleep purring away. She absolutely loves to cuddle and sometimes she even comes running to you when you call her name! She also awaits you when you open up the front door and follows you around all day. She just wants to be around you. This little sweetheart is very curious and would suit a home with a lot of area to run around and explore but also where she can get all the love and attention she needs. All PAWS Darwin animals come with de-sexing, up to date vaccinations and worming plus micro-chipping. In addition to this all dogs are eligible for 4 free socialisation classes. For more information or to meet the animal please complete the meet & greet form on our website <http://pawsdarwin.org.au/forms/>
