

# Hi, my name is Ada

## Cuddle buddy

### Large Female Dogue De Bordeaux Dog

Ada is a 4 yr old girl who isn't coping in a 'busy' household. Ada is SPECIAL NEEDS. As Ada will need ongoing health and other management, we are not asking for an adoption fee for Ada, HOWEVER, all homes will be carefully assessed. To apply - you MUST fill in the Rescue Application Form on our website: [www.ddbrescue.com](http://www.ddbrescue.com)

Ada has also been diagnosed as having arthritic changes which may need ongoing management. She has also been diagnosed with hyperthyroidism (so will need to be on medication). Ada is overstimulated in 'busy' homes. She would ideally go to a home where someone is looking for a cuddle buddy, no young kids, and her being the only dog. Ada is also nervous during storms. However, we believe an experienced owner may identify which aspect is the fear, not reinforce the fear, and use a tool such as the thunder shirt to assist Ada in dealing with storms. Bottom line, Ada needs an experienced Dogue de Bordeaux (or Mastiff type) home who are happy to work with these issues.
