

Hi, my name is Molly

Looking for love

Female Dsh Mix Cat

The name is Molly and don't you forget it! I am a confident little princess that is looking for my new forever family. Like any kitty, I like things my way or the highway, however, I do love a good cuddle and pat. I came into the shelter a little scared (hence why I have this deluxe suite) and it has taken me a while to come out of my shell but I'm now a little smoocher! If you're looking for a companion to sit on your lap while you watch TV in front of the heater than I'm your gal! Because I've been so patient while waiting for my special hooman to come along the kind team here have even agreed to waive my adoption fee in hopes of finding my purrfect family sooner! So what are you waiting for?! If I sound like the princess for you make sure you come and meet me today. I'll be here patiently waiting with my paws crossed that we will meet soon! xoxo Molly
