

# Hi, my name is Diesel

Gentle nature

## Medium Male Siberian Husky Dog

Diesel came into our care as an unwanted and sadly an abused boy. All Diesel wants from life is a loving family to either make him their own or give him a foster home where he can feel safe. Diesel needs to learn to trust and respect the boundaries as he can be stubborn at times and his past has made fearful. He would thrive with a kind alpha human to guide him. He loves attention and has a gentle nature. He enjoys being inside, and has very good house manners Dog friendly ( same size ) not good with little dogs. He likes to play ball and loves his walks, but not that great on lead and of course he loves a treat or 3 that he takes like a gentleman. He knows - Sit, wait and gives paws. He needs a good groom out to make him feel all brand. We will get this done ASAP Not tested around children Not suited to cats or pocket pets 6ft dig proof fencing required.
