

Hi, my name is Fanta

Looking for love

Male Domestic Short Hair Cat

Fanta is smoochy, playful and patient. His three favourite activities are eating, playing with his human and watching the world go by outside Fanta can be a bit nervous to begin with, but he strongly encourages himself to trust you. He loves playing, but he also loves his alone time to nap or just to contemplate. He loves his food especially meat and vegetables. He has a tiny beautiful voice. He does not climb too much, sometimes he will when he smells food, but other than that, he will chill in his hiding space. He does not scratch the couch is litter-trained and he loves joining you in the bed. Fanta loves giving you head-butts and smooches, in the morning! Fanta is really good with other cats and is such a sweet kitty, we would recommend a single person or couple with or without another cat would make a great forever home for him. All PAWS Darwin animals come with de-sexing, up to date vaccinations and worming plus micro-chipping. In addition to this all dogs are eligible for 4 free socialisation classes.
