

Hi, my name is Fluke

Looking for love

Male Domestic Short Hair Cat

Adopt-A-Less-Adoptable-Pet Week. ONE WEEK only adoption fee of \$69 which still includes desexing, microchip, first vaccination (for cats) and up-to-date vaccinations (for dogs), vet check and up-to-date worming. Meet Fluke!! Fluke came into our care after being surrendered due to no fault of his own. This gentle loveable giant was a bottle baby so ABSOLUTELY loves his humans. Like all our kitties we have an inside only policy but we like to enforce it even more so with bottle babies like Fluke as he was raised by humans and has never ventured outside EVER so he does not know danger. Fluke can be shy at first but once settled he is super affectionate, he is good with cats and tolerates dogs but he will show the dog who's boss!!! Fluke would be best suited in a quiet home with adults and older children. If you'd like to meet this beautiful fella please email us.
