

Hi, my name is Jean Id46652

Looking for love

Female Domestic Short Hair Cat

Jean is a shy little lady who takes a little time to warm up to new environments but when she does she can be affectionate, responsive and a quick learner. Jean would do well in a small, quiet home where her owner can slowly settle her in giving plenty of reassurance. She loves to snuggle in an enclosed cat bed where she feels safe and secure. Jean would do well with a friendly, feline companion to show her the ropes but would be best in a home without small children and boisterous dogs. Being a shy cat Jean would need to be kept indoors as a fright outside may see her look for somewhere to hide and not return.
